

THE "TWICE-A-WEEK" St. Louis Republic is unquestionably the best and cheapest national news journal published in the country. It has led the fight for Tariff Reform, and stands without a rival as the leading and representative Democratic paper of the United States. It is issued each Tuesday and Friday, fourteen to sixteen pages every week, for only One Dollar a Year—a great semi-weekly paper for the price of a weekly. It gives the news at least half a week earlier, and much more fully than any weekly. Everybody should subscribe for it now, and get the news, fresh and complete, during the closing months of the Republican administration, as well as after the inauguration of Cleveland and Stevenson, when the Democratic party will be in absolute control of the Executive and Legislative Departments of the National Government. An extra copy will be sent free, for one year, to the sender of each club of four new subscribers, with four dollars. Write for free sample copies, and raise a Club. Address The Republic, St. Louis, Mo.
